

IAAI Foundation Training Scholarship Program

The IAAI Foundation Training Scholarship provides financial assistance to selected applicants to enhance their education in the fire/explosion investigation profession by attending the IAAI International Training Conference or other select IAAI training events. The scholarship is supported by the IAAI Foundation and its benefactor partners. The IAAI Foundation may award up to five individual scholarships annually.

Successful applicants receive a \$1,000 scholarship to assist with their registration and lodging costs to attend the ITC or other approved IAAI training events. The scholarship program is not designed to cover all of the costs of attendance, but rather to offset specific costs, which would afford applicants a greater opportunity to attend an IAAI training event.

To be eligible, applicants must be a current IAAI member or current IAAI Chapter member. Applicants must submit an application, along with a short narrative on why they are applying for the scholarship.

The deadline to submit a scholarship application is September 1. Successful applicants will be notified by October 1 of that year for attendance at the following year's ITC or IAAI training event. Please submit completed applications via email to iaaifoundation@firearson.com or by mail to IAAI Foundation, 2111 Baldwin Avenue, Suite 204, Crofton, Maryland 21114.

Address all questions to iaaifoundation@firearson.com or by phone 410-451-3473.

APPLICATION

Name		Telephone Number	Email Address
