

Government Relations Activity Report

We would like to track key contacts made with the following:

- State, federal legislators or governmental agencies regarding discussions concerning fire investigation issues related to the fire/police/insurance professions.
- State or federal legislators regarding one of our requests under a call to action.
- Presentations made on behalf of the IAAI or local Chapter to another industry organization relating to fire investigation.
- Discussions of IAAI member benefits/certifications to another industry organization

If you or a Chapter Member makes a key contact we please submit this form to Roger Krupp at: Roger.Krupp.BLLE@statefarm.com
