I hereby authorize *IAAI Fire & Arson Investigator* to place advertising in the above issue(s) at the rate stated. I understand that I will be billed for the rate quoted plus any production charges incurred for ads not considered camera-ready. I also understand that all charges are due within 30 days from the billing date and that a finance charge of 1.5% will be applied to any unpaid balance after 30 days.

Please note that this contract may not be changed or canceled after the space closing deadline. If new artwork is not received by the Materials Closing deadline as stated on the rate card, the Journal reserves the right to reuse the most recently published ad material for that issue or web ad period. If an advertiser receives a frequency rate for any insertions and does not run the minimum number of insertions necessary to qualify for the frequency rate within a 12 month period, a short rate adjustment will be assessed. The adjustment is the difference between the frequency rate and the rate for the actual number of insertions run.
