

**Nomination of IAAI & IAAI Foundation Officers and Board of Directors**

The Nominating Committee requests the assistance of the membership in the selection of active members to serve on the Board of Directors of the Association. Each member selected will be carefully considered by the Committee. A final slate of candidates, to fill vacancies by the advancement of officers or the expiration of terms of office held by Directors, will be nominated by the Committee at the Annual Seminar/Meeting. Article III, Section 2 of the Constitution and By-laws of the Association, provides that the Board of Directors consists of the officers and members of the Association duly elected as Directors. Selections should include a 2nd Vice President and Board Members set out separately on the form provided on this notice. Incumbent Directors seeking re-election must be nominated in accordance with these Guidelines.

Each candidate will be contacted by the Committee Chairperson or Co-Chairperson to ascertain his/her qualifications and interest to serve in the office of which he/she has been selected. In addition to qualifications, experience and activity in the Association, along with a willingness to actively participate in the government of the Association and to devote time and effort in pursuing its goals and objectives, should be of primary importance when considering candidates. This will greatly assist the Nominating Committee in presenting a slate of officers.

Please submit candidates at any time, but no later than **September 1, 2018** for the 2019 Election year.
