

Double check your firearson.com email

Before you update your CFITrainer.net account, double check your FireArson.com email information.

1. Go to FireArson.com and log-in to your account (top left corner of the page)
2. Once logged in, click "Access My Profile" (again in the top left corner)
3. On the profile, you will see the "My Profile" box, as pictured on the right. That box shows you the login email you use for FireArson.com. For most people it is your email address.
4. You can now go to CFITrainer.net and update your CFITrainer.net account.
